National Level Conference on

Recent Advancement in

Electrical & Electronics Engineering

(NCRAEEE'18)

27th March 2018

Organized by

**Department of Electrical &
Electronics Engineering**

**NEW PRINCE SHRI BHAVANI COLLEGE OF
ENGINEERING AND TECHNOLOGY**

Vengaivasal Main Road, Gowrivakkam,
Chennai – 600073, Tamil Nadu, India.

About the Institution

NPSBCET approved by AICTE, New Delhi, affiliated to Anna University, Chennai and accredited by NBA, is offering seven U.G courses and three P.G courses. The institute has prime objective of providing quality education for the students studying in all engineering streams and to provide an opportunity to utilize physical facilities, human resources and knowledge resources available in educational institutions to maximize knowledge acquisition.

About the Department

The Department of Electrical & Electronics Engineering is one of the pioneer departments in this college. It was started in the year 2008 with an intake of 60 students. Since then many quality engineers were graduated from here and are serving the society. The department has a team of well qualified and experienced faculty having vast experiences and specialization in different areas like Power System, Applied Electronics, High Voltage Engineering, Power Electronics etc., to ensure that the students are moulded into competent Electrical Engineers.

About the Conference

The main objective of the conference is to promote research and developmental activities as well as to provide a perfect platform, for engineers, research scholars, developer's academicians and practitioners to exchange their research findings and advanced intelligent techniques adopted, to explore new technical information and update themselves to the latest developments especially in the field of Electrical and Electronics Engineering.

Who can register?

The one day National Level Conference is open to all research scholars, PG students, teaching faculties of all Engineering Streams and persons from industries across in and around India.

Topics Covered in the Conference

Papers are invited from authors who would describe original research work not presented elsewhere.

Topics of interest for submission include, but are not limited to:

- Power systems modeling & analysis
- Electric power generation
- Transmission & Distribution
- Utilization of electrical power
- Power Quality
- FACTS
- Renewable Energy Technology
- Electrical Machines
- Hybrid energy systems
- Power Electronics & Drives
- Smart & Micro Grid
- Micro Machines
- Safety, Security and Risk Management
- Power plant engineering
- HV Engineering
- Electrical machine design
- Computer drawing
- Control system design for different applications
- Linear & Non-linear control
- MATLAB based design of electrical systems

Paper format: IEEE double column format, single line spacing in A4 not exceeding six pages, 12-size Times New Roman font, MS word Document. Full Paper must be sent to conference email id.

Registration fee per participant - Rs. 200
