3rd NATIONAL CONFERENCE ON EMERGING TRENDS IN ELECTRONICS AND COMMUNICATION ENGINEERING

ABOUT THE COLLEGE

New Prince Shri Bhavani College of Engineering and Technology (NPSBCET) occupies a place of pride amongst the premier technical institutes of South India. The institute has marched towards the pinnacle of glory through its remarkable achievements in the field of Engineering education. The college is affiliated to Anna University, Chennai and approved by AICTE, New Delhi. The College offers 3 PG and 7 UG courses

ABOUT THE DEPARTMENT

NPSBCET, the Department of Electronics and Communication Engineering was started in the academic year of 2008-2009. The main aim is to foster the technical background of the engineers by enhancing the ability of the students to compete internationally with innovative ideas and solutions in the recent trends of electronics and communication engineering. The real strength of the department is the healthy mixture of young and experienced faculty members

ABOUT NCETECE'16

The NCETECE'16 would offer a forum to the academicians, researchers and students to interact with experts in the area and to learn the emerging trends in electronics and communication engineering. The conference will include invited lectures and paper presentation sessions. It will provide excellent opportunities for the presentation of interesting new research results, modern approaches and discussions about them, leading to knowledge transfer and generation of new ideas.
